

SEXUAL HARASSMENT IS NOT TOLERATED ON OUR NETWORK

Any incident can have an impact on people's lives. Rubbing against someone, touching someone inappropriately, making unsolicited remarks of a sexual nature, revealing intimate body parts, sending or showing sexual content and taking photos under someone's clothes. It's all sexual harassment. It's all serious to us.

See it or experience it on public transport?

Report an incident on the bus network at met.police.uk

For all other TfL services,

text British Transport Police on **61016**.

In an emergency, always dial **999**.

Together, we can stop sexual harassment.
